PROFESSIONAL EXPERIENCE

Weigh Anchor | Remote

Senior Project Manager - Construction and Operations

March 2024 to Present

- Support federal and private-sector construction projects from bid through execution, including estimates, vendor pricing, subcontractor follow-up, and open-item tracking across active jobs.
- Coordinate with owners, vendors, and subcontractors to move project requirements forward.
- Track open items, schedule risks, and required follow-ups across active proposal and project work.
- Integrate business systems using Microsoft Power Automate, Zapier, and APIs to improve document and operations workflows.

Uceda School | Las Vegas, NV

English Teacher

July 2022 to February 2023

- Taught adult ESL classes using *Interchange* and *Let's Talk*, including integrated four-skills instruction and dedicated speaking and listening practice.
- Planned coursework, lessons, and learning materials for students across multiple proficiency levels.
- Administered weekly assessments, evaluated student progress, and prepared progress reports.
- Facilitated speaking activities, grammar practice, and classroom discussions to build learner confidence and fluency.
- Adapted instruction for mixed-level learners while maintaining clear objectives and classroom structure.

Liden & Denz | Moscow, Russia

Native English Teacher

September 2019 to April 2022

- Developed English lesson plans aligned with organizational objectives and learner proficiency levels.
- Taught pre-intermediate through advanced English to students from diverse age groups and cultural backgrounds.
- Used New English File and supplemental materials to support grammar, vocabulary, speaking, and listening outcomes.
- Prepared and conducted online classes through Zoom during pandemic restrictions.
- Transitioned instruction to virtual delivery while maintaining student engagement and educational quality.

Evoqua Water Technologies | Colorado Springs, CO

Project Manager - Fulfillment

May 2017 to September 2019

- Managed \$5.5M in internal asset builds across three concurrent fulfillment projects.
- Coordinated Sales, Applications Engineering, Supply Chain, Site Execution, and customer teams to align scope, schedule, and delivery requirements.
- Coordinated project schedules, resource needs, and deliverables in MS Project, SharePoint, and SAP.
- Communicated project status, risks, and timing to customers and cross-functional stakeholders.
- Used SAP to process and track WBS elements for customer orders and budget management.

West Virginia University | Morgantown, WV

Biology 115/117 Teaching Assistant

August 2014 to December 2016

- Tutored students during weekly office hours and clarified lecture concepts through one-on-one support.
- Supported classroom instruction by answering student questions during lectures.
- Led monthly review lectures for classes of 200+ students.
- Reinforced study strategies, exam preparation, and foundational biology concepts for undergraduate students.

Mountaineer United Soccer | Morgantown, WV

Club Coach

March 2014 to May 2015

- Taught tactical aspects of soccer to students ages 7-10.
- Maintained order, control, and effective discipline during practices and games.
- Built age-appropriate activities that encouraged teamwork, focus, and skill development.
